

# MEAT PRICES REDUCED

**SAFEWAY**

THESE MEAT PRICES EVERY DAY!

We are happy to announce important reductions in the prices of Safeway Superb Meats. The prices you read here are representative of the values you'll find every day on cut after cut.

The most important thing to remember about this announcement is that these are Safeway Superb Meats. That's what makes these prices so sensational. When you get the finest meats in town at such low prices — you're getting EXCEPTIONAL VALUE!

Every cut of Safeway Beef and Lamb is from USDA CHOICE Grade. Each cut has been scientifically aged to peak tenderness and flavor in Safeway's Meat Aging Plant. Safeway's Pork and Veal are top quality, too, but because they do not benefit from aging, they are rushed direct to store. All Safeway meats are carefully trimmed of excess fat and bone. All carry Safeway's famous money-back guarantee.
